

NEW ARTISAN CHEESEMAKER APPOINTED AT SPRINGSIDE CHEESE

OCONTO FALLS, WI – March 13, 2017– Springside Cheese announced Dane Huebner as its new Artisan Cheesemaker. Huebner comes to Springside Cheese with over 10 years experience and 130 awards from competitions including the World Cheese Awards (WCA), American Cheese Society (ACS), US Championship Cheese Contest(USCCC), The Big E, International Cheese Awards (ICA) and the World Championship Cheese Contest (WCCC).

Huebner’s extensive background in product development, cheese grading and quality assessment will elevate Springside’s artisan cheese product lines. Huebner will focus on developing new recipes, pairings and products for Springside.

After helping his brother move from Hanoi, Vietnam to Bangkok, Thailand, Huebner saw and tasted a large variety of fermented fish, seafood and vegetable dishes. This introduction to fermented foods, and his background in microbiology, inspired his return to Wisconsin to explore fermented dairy products. Huebner continues to use microbiology in his work every day.

“Dane remains loyal to the traditions of Wisconsin cheesemaking that we are known for,” Springside Cheese President Keith Hintz said. “He also challenges boundaries by incorporating unique and fresh flavor combos. We look forward to seeing how he applies this to our products.”

About Springside Cheese Corp.

Springside Cheese carries on a century old legacy of producing the finest hand-crafted, natural cheeses featuring classic cheddar collections and unique blends of locally inspired flavors. After over a decade of studying the art of cheese making and acquiring his license, Wayne Hintz bought his own small factory-Springside Cheese-in the fall of 1973. In addition to the cheese store attached to the factory in Oconto Falls, Wisconsin, Springside Cheese Corp. operates a store in Pueblo, Colorado.
